

Why fly Pegasus?

- Founded in 1990, Pegasus is Turkey's most established private airline and Turkey's second largest airline by market share
- Focus on safety, customer service and value for money
- Extensive domestic network of 16 connections across Turkey and North Cyprus, and further 14 destinations across Europe
- 25k free baggage allowance on international flights plus 5k hand luggage allowance
- Member of IATA
- Safety is a priority for Pegasus Airlines, whose own Flight Training Academy, ensures cabin and maintenance are trained to above and beyond necessary requirements
- Average 91% on-time performance
- The first Turkish airline to publish monthly on-time performance success rates online
- On its way to becoming youngest fleet in Turkey, with the third aircraft of its latest order of 24 Boeing 737-800s delivered in August 2008, bringing its total fleet size to 14. Growth is projected to reach a fleet size of 38 by 2015.
